

TELECONSULT - GISCOM WINS BICTA 2009

Press Release

Teleconsult Sdn. Bhd and Giscom Sdn. Bhd., jointly won the BICTA 2009, General Category Award, in the 2009 BICTA competition, with their TeleGIS software application.

The award was presented by Yang Berhormat Pehin Orang Kaya Seri Kema Dato Seri Setia Haji Awang Abu Bakar bin Haji Apong with the Permanent Secretary, Ministry of Communications/ Chairman of AiTi, Awg Haji Alaihuddin bin Pehin Orang Kaya DiGadong Seri Lela Dato Seri Utama Haji Mohammad Taha, in attendance.

Apart from the award, a cheque for Brunei Dollars Five Thousand, was also made, which will help fund both companies attendance at APICTA in Melbourne, Australia, between December 14-17th.

The Asia Pacific ICT Awards (APICTA) is a competition between 24 member economies and Teleconsult has previously won 'Special Mention' Awards for Brunei Darussalam in 2004 and 2005, in Hong Kong SAR and Chiang Mai respectively.

TeleGIS is a Geographical Information System (GIS), developed by Giscom Sdn. Bhd who is the

Source Code and Intellectual Property Owner, which uses Geographical Positioning System (GPS) technology, to provide GIS and alphanumeric data services, for customer data using Open Source and low cost alternatives to proprietary mainstream systems

It provides users with the ability to enter, edit, track and report on network location and other customizable information from a standard web browser, Google Earth or a mobile phone

Teleconsult has a Collaboration Agreement with Giscom Sdn. Bhd., to develop application concepts and help market TeleGIS in the region.

TeleGIS is currently being marketed to AiTi, DST Com and other Government Departments in Brunei Darussalam and an order is in the final stages of placement for the National Disaster Management Centre (NDMC), through ITPSS Sdn. Bhd .
